

Rent2Buy Terms and Conditions

Rent2Buy is your opportunity to take a test rental prior to purchase of a used vehicle from the nationwide rental car and van fleets of Hertz (UK) Ltd ("we", "us"). Your test rental will be for up to 5 days at special low rates which are waived if you choose to purchase the vehicle. The following terms and conditions apply:

1. Rent2Buy rental

- 1.1 The terms of the Hertz Rental Agreement apply to your rental of the vehicle in the same way as for any normal rental. These can be found on your Rental Record and in the Rental Wallet. You and any authorised drivers will need to meet our usual age and driver qualification criteria (please ask for details).
- 1.2 You are entitled to one free additional driver for your Rent2Buy rental.
- 1.3 If you decide to purchase the vehicle you will not have to pay the basic Rent2Buy rental rate quoted to you, but will still be responsible to us for payment of optional extras taken for the rental, such as Super Cover or personal insurance.
- 1.4 If you breach the Rental Agreement prior to purchase of the Vehicle, we reserve the right to recover the Vehicle and sell it to a third party. We will also charge you for any sums owing from you in relation to the Rental Agreement, such as for damage incurred during the rental. If you damage the vehicle during the test drive, we will not amend the purchase price.
- 1.5 If the vehicle breaks down during your rental and is not repairable at the roadside, we will try to find a similar vehicle as a replacement for you to test with a view to purchase. If no such vehicle is available or you do not wish to continue the Rent2Buy rental, you will not be charged for your rental, provided the breakdown is not your fault. However, if no similar alternative vehicle is available, we will provide you with another vehicle so that you can complete your journey and return to the original renting branch. We accept no liability for any financial losses arising from vehicle breakdowns.
- 1.6 If you are already a long term renter and wish to purchase your existing vehicle, you may choose to skip the test drive option and request a purchase price quote via your renting location. We will then issue you with a price based on its last recorded mileage and condition unless advised differently by you by visiting any Hertz office to prove otherwise.
- 1.7 We reserve the right to refuse any test drive requests or withdraw the discounted rates if we suspect, or if it is established, that the Rent2Buy programme is being abused by you, your authorised drivers or a third party.

2. Rent2Buy vehicle

- 2.1 We endeavour to provide a vehicle that meets your requested requirements as quickly as we can, but always subject to availability. We are unable to guarantee the date of delivery of a requested vehicle, but will provide you with our estimated delivery date and update you if there are any problems. We accept no liability for any financial losses arising from delays to delivery dates, whether written or implied.
- 2.2 Please note that we can't accept any responsibility for any inaccuracies in the vehicle description which are always subject to confirmation on delivery of the vehicle to us for your Rent2Buy rental. This includes any recorded mileage readings taken from the website or quotes and any radio codes issued post-sale
- 2.3 Any images provided on our websites are for reference only and intended to indicate examples of the kinds of vehicles we have available rather than as indicators of exact vehicle appearance and condition.
- 2.4 Your Rent2Buy vehicle will be provided to you from our rental fleet, so you can expect it to be in good operating condition, subject to the BVRLA's Fair Wear and Tear Policy. Any notable damage will be disclosed to you on our Vehicle Pre-Rental Inspection Form. The vehicle will not, however, be provided in typical second hand car showroom condition (e.g. waxed and polished).

2.5 We accept no responsibility for missing removable items such as parcel-shelves, handbooks, wheel hubs, floor mats, cigarette lighters, sat-nav discs, multi-media connectors, cables & accessories, iso-fix parts, warning triangles, first aid kits and such like items. This list is not exhaustive.

3. Customer care

We will forward your contact details to our Customer Care Team, who will contact you during your Rent2Buy rental to ask how you are finding the vehicle and answer any questions you may have about the vehicle or the process. You can contact them directly by telephoning 0207 365 9035.

4. Payment process

4.1 The price quoted on the website for any vehicle is indicative and subject to change. We will inform you of the price for the Rent2Buy vehicle at the start of your rental and you will be sent a final invoice confirming the purchase price via email during the test drive period

4.2 You must pay us the agreed price for the vehicle promptly on request, either directly or through your authorised representative. Payment should be made by electronic transfer to our bank (see details below). Telegraphic transfers are treated as instantaneous payment on confirmation from our bank. B.A.C.S. payments take three working days to arrive on our account.

5. Transfer of ownership

5.1 Property in the vehicle shall not pass to you until we have received notification from our bank that the agreed price has been received and cleared.

5.2 Once we have received confirmation that you have paid the purchase price for the vehicle, we will agree a mutually convenient day and time to terminate the rental and transfer the vehicle and log book to you. You will then be the legal owner of the vehicle with sole responsibility for all insurance required by law.

5.3 We will forward your details to the DVLA to record you as the new registered keeper of the vehicle unless otherwise advised by you.

5.4 The vehicle will be sold to you with the benefit of all remaining fuel and road tax.

6. Our responsibility to you

6.1 We will provide you with a statement detailing the service and repair history of the vehicle prior to purchase including copies of any MOT certificates.

6.2 We will typically sell the Vehicle to you during the validity of the manufacturer's warranty, which will transfer to you. Please ask how much, if any, of the manufacturer's warranty period remains for your benefit on purchase. We do not provide any other warranty or guarantee.

6.3 Nothing in these terms and conditions affects your statutory rights.

6.4 We cannot guarantee the availability of any spare keys as these may already have been used during the rental life of the vehicle.

7. Your responsibility

You are responsible for checking the condition of the vehicle prior to purchase. By purchasing the vehicle you are representing to us that you have inspected the vehicle and believe it is of satisfactory quality, fit for purpose and meets the description provided to you.

8. After- sales contact

You may contact us during normal office hours following purchase of your Rent2Buy vehicle at.:

E-mail: rent2buyuk@hertz.com

Telephone: 0207 365 9035

Fax: 0207 3654197

9. Governing Law

Any dispute regarding these terms will be governed by the law and subject to the jurisdiction of the courts of England and Wales.
